Not from 4B to 5A; from Asphalt St. to Fresh Air Heights.

TRIBUNE'S COUNTRY HOMES ARE WAITING

Three Hundred Off for Health and Happiness in Green Fields and Woods.

To-day is the day!
This afternoon watch the dads, how they strut, and the girls, how they awish their skirts in their pride.

It's pr'motion day! This morning Jack and 'Liza, to-This morning Jack—and 'Liza, too twere on tenterhooks. They had they acousts about the results of those 'zam inations—didn't know if they'd passed. Jack and 'Liza did, though. And it surprising what an increase of dignify they acquired in just passing through a door—"gettin' pr'moted to 5A from 4B."

Then, of course, there was Tom, who got "left." There always is a Tom. He had very little strut to him. In fact, according to tradition, he should have sneaked home by the back way and lurked in the dark corners of the voodshed in fear of the wrath to come. Eut there aren't any woodsheds in New

FOR THE Water to come the wrate to come the water to come to come the wa

another tack.
This 18 the day!
Primetion day, too.
This time, however, "promotion"
leaves little time for strutting. Instead, one has to grab one's bag and
hustle, dignity all forgotten, to the
train, maybe to rush panting and wilted
abourd at the last minute, with somehody giving one a most undernified ody giving one a most undignified Six Hundred More To-morrow.

What does it matter, though, so long as promotion takes one through the door not the one that leads from 4B to 5A that leads from a heat that the control of the control of

week. Adelaide and Hughes, too, perthat leads from a hot city to
a cool, green, new country? Promoted?
Well. it's some step up from Asphalt
Street to Fresh Air Heights.
About three hundred are to be so
promoted to-day, just as soon as they
can make sure of their school standings, by the Tribune Fresh Air Fund.
For weeks preparations have been make. ings, by the Tribune Fresh Air Fund. For weeks preparations have been making to get the Tribune Fund homes in crear for the reception of guests, and now they stand fresh, clean and airy, ready for the arrival of the boys and girls who have been looking forward to their country fortnights ever since the

girls who have been looking forward to their country fortnights ever since the first warm day reached New York. Three hundred will be promoted to-day a number which indicates that a good many of "Tom" will be "left," but to-morrow six hundred more will be to-morrow six hundred more will be promoted to country places, and the rest day four hundred more, and the day after that still some more. In fact, some work day from now on will see its

cowds go away.

"Tom" won't get "left" ultimately in this promotion, if those who are interested in boys and girls are generous.

To-day 170 girls go to the Ashford Hill Home, at Ardsley, N. Y.: 25 girls to the North Shore Holiday House, at Huntington, Long Island: 25 girls to Elm Cottage, at Fairfield, Conn., and 56 boys and girls to friends at Auturn, N. Y.

ACKNOWLEDGMENTS.

The committee will meet early this week and begin plans for its work. They will be hidded by an auxiliary committee of one hundred, representing all parts of the city, each member of which will have the task of watching the films in his immediate neighborhood.

VARIETY BILLS

WEEK WARIETY BILLS

graystone home of her partens, on Tortence Road, East Walnut Hills.

It was an extremely pretty June wedding, and the house and grounds presented a charming picture of summer attractiveness.

Against the gray stone a clematis vine, in full glory of purple blossom, gave a bright touch of color, and tall vases of blossoming flowers sentineited either side of the old-fashioned, big porch. Mrs. Groesbeck's rose garden in its June blossoms added to the attractiveness of the grounds, which are replete with many flowering shrubs. The ceremony was performed in the early afternoon. The Right Rev. Boyd Vincent officiated. The gowns of the bridesmaids reverted to an carlier day with their full skirts and hets in liar-ways with the gowns, and the entire FOR THE WEEK

bridesmaids reverted to an cartier day with their full skirts and hats in harmony with the gowns, and the entire effect was very fuscinating.

In the bridal procession were a half dozen friends of the bridegroom from New York—Emmett Harris, Fred Frothingham, Charence Crimanins, Cleveland Cobb, Gallatin Pell and Theo, Crane and the bride's brother, William Groesbeck. The matron of honor was Mrs. Glenn Groesbeck, and the bridesmaids were Miss Catherine Anderson, of Cincinnati, and Miss Gertrude Hoyt, of New York, niece of the bridegroom.

Among the out-of-town guests were Montgomery and Moore-George Fourth of July week is being cele-brated by the Palace Theatre with Montgomery and Moore at the head of

special Feature for the Fourth.

The open air vandeville and motion picture entertainment at Ebbets Field, in Brooklyn, promoted by Marcus Loew, opened with a new programme last night. As an evidence that the novelty is meeting with favor, it was announced that 5,000 persons paid to see the show lest night.

A special performance of ten acts has been arranged for the Fourth of July. Special features will be shown Mondays and Thursdays. The bill this week includes Della Ray, with her danding horses; the Lunett sisters, the Petiti family, acrobats, bar and bicycle acts and three reels of films.

SHIELDS SUFFERS SHOCK

grammar schools.

"For \$250,000 we could give this raised Mr.

\$250,000 children," said Mr.

Goldwasser yesterday. "The object is not to filt children to take positions the minute they leave school, but rather to give them an idea of the various trades, so that they can decide more intelligently what course they want to pursue in a vocational school. We teach them to say 'no' to trades for the pursue in a vocational school. We teach they have no natural ability.

"Every child who graduates will and who have had eight weeks' training in six trades. The boys will have courses in millinery, death work, electric wiring, when they have no matural ability.

The girls will have courses in millinery, death will eath they can be prominent figure at all gatherings of veterans.

all the school business, such as the orders for furniture on the woodworking department or the orders for costumes on the dressmaking department. The whole school is one big factory, and the commercial department is the office."

It was hoped that the exhibitions would begin last night, but the plans could not be completed, and Frank C. Minson, president of the association for Brooklyn, and Seymour Barnard, the Brooklyn secretary, decided that it would be as well to wait until after the Fourth. So the moving pictures will begin next Monday night. The postponement was a disappointment to the Brooklyn children, many of whom hung wintfully around the playgrounda last night until assured there was no hope.

WANT 20 JOBS HELD OPEN

Representatives of the Civil Service Reform Association will go to Albany to-day to protest to the State Civil Service Commission against the exemption from the rules of civil service of twenty positions on the staff of the State Workmen's Compensation Commission. In a statement issued yesterday the Civil Service Reform Association said that these should be filled by competitive examinations. The posts require eighteen assistant deputy commissioners, one assistant counsel and one inspector of risks and safety engineer. The association declares that in filling the ten exempt deputy commissionerships the commission has distributed the positions on a political basis. It is pointed out Representatives of the Civil Service

Mayor Mitchel addressed a vocational guidance conference at the Washington Irving High School last night on the necessity of increasing industrial training in the public schools. The meeting was called as a result of the diayor's recent visit of inspection to Gary, Ind., and other Western cities where experiments are being conducted. Thomas W. Churchill, president of the Board of Education, and Controller Prendergast assured the Mayor of the support of their respective departments in establishing such a system of industrial education as should be found to fit the complex needs of the city.

"It is the function of the school to fit boys and girls to take their places effectively and successfully in the community life," said the Mayor. "The school fails if it fails to prepare children to earn a sufficient livelihood and to go forward along the kines in which their special sptitudes permit them to rise.
